MEMORANDUM FOR: Project Director

SUBJECT : Titling

REFERENCE : [Redacted], 20 June 1956

25X1

1. Attached herewith for your review and comment is a copy of Operations Policy Letter #13, "Titling and Identification of AQUATONE Photography." This directive has been discussed with and agreed to by those persons listed on the attached form 610. In addition, Eastman Kodak has been given an opportunity to review and comment on the document. Minor problem areas, concerning primarily Eastman's capabilities as opposed to our requirements, have been resolved and they (Eastman) are also in agreement with proposed procedure.

2. Upon receipt of your concurrence, subject document will be released for dissemination to interested agencies.
